TERMS OF PURCHASE

These Terms of Purchase are part of each purchase order that viastore systems, inc. (“**Buyer**”) issues. In these Terms of Purchase, “**Seller**” means the seller named in the purchase order, “**goods**” and “**services**” mean the goods or services that Buyer is to purchase from Seller, as described in the purchase order, “**Contract**” means any contract formed pursuant to the purchase order, “**order**” means the purchase order, and “**Affiliate**” means a parent company, subsidiary, a company under common control or ownership or another related company.

1. **Agreement.** The Contract includes the terms of any written agreement between Buyer and Seller in which they have agreed that these Terms of Purchase will apply to Buyer’s purchases from Seller. If for any reason, however, no such agreement applies to Buyer’s purchase from Seller under the order, then] (1) the order is Buyer’s offer to buy the goods and/or services described in the order, and Buyer rejects any earlier offers to sell those goods and/or services made by Seller, (2) if the order nevertheless is in legal effect an acceptance of an earlier offer by Seller, then Buyer’s acceptance is conditional upon Seller’s assent to all of these Terms of Purchase that are additional to or different from the terms of Seller’s offer and (3) by signing and returning a copy of the order or by accepting the order electronically or by shipping the goods or performing the services, Seller accepts Buyer’s offer, as set forth in the order, and agrees and assents to, all of these Terms of Purchase.

2. **Price and Payment.** Buyer shall not be required to pay any sales, use or other taxes arising because of Buyer’s purchase from Seller that are as a result of resale by Buyer to its customers. Buyer’s payment of the purchase price does not indicate its acceptance of the goods or services. Payment terms, including discount periods, shall run from the latest of (1) the scheduled date for delivery or performance, (2) the actual date of delivery of conforming goods or performance of conforming services, (3) the date of Seller’s invoice, and (4) in the case of capital equipment, completion of Buyer’s final inspection and acceptance. Buyer is not obligated to pay for any finance charges or collection expenses in connection with Seller’s invoices.

3. **Delivery and Force Majeure.** Unless Buyer agrees otherwise in writing, Seller shall deliver the goods DDP (Incoterms) Buyer’s facility identified in the order, except that Buyer may at its option take delivery of all or any part of the goods at Seller’s facility. Seller is responsible for any damages to the goods during transport unless Buyer transports the goods. Time of delivery or performance is of the essence, and Buyer’s stated delivery or performance date and the date for performance of any other obligation of Seller shall not be extended or excused for any reason, including anything that Seller cannot control.

4. **Excess, Installment and Early Deliveries.** If Seller delivers more goods than Buyer ordered, then, unless Buyer agrees otherwise in writing, Buyer shall not have to pay for the excess. Unless Buyer agrees otherwise in writing, Seller shall deliver all of the goods in a single delivery and not in installments. Buyer’s acceptance of a delivery that contains less than the required quantity shall not relieve Seller of its obligation to deliver the balance of the ordered goods at the price and on the other terms that the order specifies. If Seller delivers the goods before the scheduled delivery date, then Buyer may, at Seller’s expense and risk, either store them or return them to Seller. Buyer’s acceptance of an early delivery shall not change the payment terms.

5. **Export and Import Requirements; Drawback and Refund Rights.** Seller shall prepare, maintain and, to the extent that that applicable law, regulation or customs authority requires it to do so, submit to the applicable customs authorities, all information and documentation that is necessary to comply with the applicable customs and export and import requirements of each country from which the goods will be exported and each country into which they will be imported, and Seller shall comply with all other applicable customs requirements. Whenever Buyer requests it to do so, Seller shall promptly furnish to Buyer copies of that information and documentation. Seller is solely responsible for complying with all technical compliance and country of origin requirements of each country into which the goods are to be imported. Seller assigns and transfers to Buyer all transferable customs duty and tax drawback or refund rights relating to the goods, including rights developed by substitution and rights that Seller acquires from its suppliers. Seller shall promptly inform Buyer of each such right and, upon Buyer’s request, shall promptly provide to Buyer all documents and information that are required for Buyer to obtain each such drawback and refund.

6. **Inspection and Tests.** Buyer's employees or agents may at any time enter Seller's premises to inspect and test the goods, Seller's process of manufacturing of them and any materials, components or work-in-process that Seller will use in their manufacture. If Buyer determines that Seller's quality control procedures are deficient, Buyer may elect to terminate the order.

7. **Representations, Warranties And Agreements About Seller.** Seller represents and warrants to Buyer, and agrees, that (1) Seller has all necessary experience, qualifications, expertise, authority, licenses and permits to enable it to perform its obligations under the Contract, (2) the Contract is the valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, (3) Seller is and, at the time of each order will be, solvent, (4) Seller has not offered or given, and shall not offer or give, any gratuity or thing of value to any employee of Buyer or of any Affiliate of Buyer and (5) Seller is and shall continue to be in compliance with all equal employment and affirmative action provisions of Executive Order 11246, the Vietnam Era Veterans' Readjustment Assistance Act ("VEVRAA"), Section 503 of the Rehabilitation Act of 1973 and all implementing regulations under that Order, VEVRAA and Section 503.

8. **Representations, Warranties And Agreements About the Goods and Services.** Seller represents and warrants to Buyer, and agrees, that (1) the goods shall be new, (2) the goods and services shall be merchantable, of good material, workmanship and quality, fit for the purposes for which Buyer intends them and free from all faults and defects, (3) the goods and services shall conform to any samples, drawings, specifications, performance criteria standards or other requirements that are referred to in the order or that Buyer has otherwise specified or agreed to in writing, and (4) the goods, their manufacture, packaging, labeling, branding and sale and the services shall comply with all applicable federal, state and local laws, regulations, standards and orders, including, without limitation, the Fair Labor Standards Act of 1938 and the Occupational Safety and Health Act of 1970, the Federal Toxic Substances Act, as amended and (5) the prices of the goods and services and any discounts, advertising allowances or other merchandising payments or services that the Contract requires Seller to provide to Buyer are as favorable to Buyer as the lowest prices and the highest discounts, advertising allowances or other merchandising payments or services that Seller provides to other buyers of comparable goods or services, (6) Seller shall promptly furnish to Buyer all information and copies of documents (including, but not limited to, complaints, inquiries, test or inspection results and warnings) that Seller receives from an end-user of the goods, a government agency, an employee or agent of Seller or any other person or source and that suggests or indicates that the goods may not conform to the requirements of this paragraph, and (7) Seller has and follows, and will continue to have and follow, adequate quality and security procedures that will assure that the goods and services will comply with the foregoing warranties, representations and agreements. If Buyer requests it, then Seller shall give Buyer certificates of compliance with applicable laws and regulations. Buyer's approval of a sample, drawing, specification or standard shall not relieve Seller of any of its warranties under this paragraph, including, without limitation, its warranties of merchantability, fitness and compliance with laws. Seller's warranties extend to future performance of the goods and services and survive inspection, tests, acceptance and payment and shall be considered to have been given not only to Buyer but also to Buyer's customers and to end-users of the goods.

9. **Indemnity.** Seller shall defend, indemnify and hold Buyer, its Affiliates and their respective directors, officers, employees, agents and representatives (Buyer and the other entities and persons referred to collectively as "Buyer Indemnified Parties") harmless from and against any claims, liabilities, losses, damages and expenses (including, without limitation, actual attorneys' fees) brought against or incurred by any Buyer Indemnified Parties arising out of or related to (1) any breach by Seller of any of its warranties to, or agreements with, Buyer, (2) any claim that any of the goods or services infringes any patent, trademark, copyright or other intellectual property right, anywhere in the world, (3) any death, injury or damage to any person or property alleged to have been caused by the goods or services or by Seller's manufacture of the goods or performance of the services, or (4) Buyer's enforcement of these Terms of Purchase or the Contract, including without limitation Buyer's actual attorney fees incurred in any lawsuit or legal dispute between Buyer and Seller (unless Seller is the prevailing party in such lawsuit or legal dispute).

10. **Changes.** Buyer may at any time, by written notice to Seller, change the order or the Contract as to (1) specifications for the goods or services, (2) time or place of delivery or performance, (3) method of packing or shipment or (4) quantity of the goods or extent of the services. If this causes a change in Seller's cost or time of performance, then an equitable adjustment as determined by Buyer shall be made in the price or time for delivery or performance, or both, if Seller gives Buyer a written request for an adjustment within 10 days after Buyer notifies Seller of the change.

11. **Termination.** Buyer may terminate the order or the Contract, in whole or in part, at any time and for any reason by written notice to Seller stating the extent and effective date of termination. When Seller receives notice of termination under the preceding sentence, Seller shall, unless otherwise directed by Buyer, stop work and acquisition of materials under the Contract and protect property in Seller's possession in which Buyer has or may acquire an interest. Not later than 30 days after the effective date of termination, Seller may submit to Buyer its claim, if any, for reasonable compensation for termination, and the amount of such termination claim shall not exceed any unpaid out-of-pocket expenses of Seller in existence at the time of termination. Such termination claim shall not include any materials that Seller may be able to use for other customers and shall also not include any profit margin for Seller. Buyer shall have the right to audit and inspect Seller's books, records and other documents that relate to the termination claim. Subcontractor's sole and exclusive remedy arising out

of Buyer's termination under this paragraph shall be to submit a termination claim to viastore in accordance with the terms of this paragraph. Termination under this paragraph shall terminate only Seller's obligation and right to deliver goods or provide services under any provision of the Contract other than this paragraph and shall not terminate or impair Seller's other obligations, or any of Buyer's rights, under the Contract.

12. **Insecurity and Adequate Assurance.** If Buyer ever believes in good faith that it has grounds for insecurity as to Seller's performance, then Seller shall provide adequate assurance of due performance within 5 days after Buyer demands the assurance, which shall be considered to be a reasonable time. Seller's failure to do so shall be considered to be a repudiation by Seller of the Contract and of all other then-existing contracts that provide for Seller to sell goods and/or services to Buyer ("Outstanding Contracts"). "Grounds for insecurity" include (1) Seller's failure to perform an obligation under the Contract or an Outstanding Contract, (2) Seller's insolvency, (3) a deterioration in Seller's financial condition after the Contract was entered into and (4) Seller's failure to provide financial statements and other financial information to Buyer promptly upon Buyer's request.

13. **Buyer's Remedies; Termination for Breach; Limitation of Liability.** Without limiting other rights and remedies available to it, Buyer may, at its option, (1) return nonconforming goods to Seller, at Seller's risk and expense, and require Seller either to give Buyer full credit against the price or promptly to repair or replace the goods at Seller's risk and expense, (2) retain nonconforming goods and set off losses against any amount that Buyer owes Seller or (3) repair or replace nonconforming goods and charge Seller with the expense. If at any time (a) Seller defaults in the performance of any of Seller's obligations to Buyer under the Contract or under any other agreement between Seller and Buyer, (b) Seller repudiates the Contract or (c) a warranty or representation that Seller made to Buyer in or in connection with the Contract is false or misleading in a material respect, then Buyer may terminate the Contract, in whole or part, without liability to Seller and Seller shall not have any right to recover any additional amounts under the Contract. Further, Seller shall promptly pay to Buyer all damages that Buyer incurred as a result of the termination and as a result of the event or circumstance on the basis of which Buyer terminated. If Buyer does terminate the Contract, then Seller, if and to the extent that Buyer demands, shall immediately deliver to Buyer all finished and unfinished goods and all work-in-process and raw materials that Seller acquired for use in the manufacture or processing of the goods and all designs, drawings, specifications and software that Buyer is purchasing from Seller under the Contract, including all work-in-process, all source, object and pseudo codes, all preexisting programs intended to be incorporated in the software and all intellectual property rights in the foregoing. Buyer's payment of part or all of the purchase price shall not be a precondition to Seller's obligation to make the delivery. After Seller has made the delivery and Buyer has determined its damages (including, without limitation, any cost of "cover" or of completing the manufacture or processing of the goods), then Buyer will pay to Seller any excess of (1) any unpaid part of the purchase price properly allocable to any conforming goods, work-in-process and raw materials that Seller delivered to Buyer over (2) Buyer's damages. Buyer's termination under this paragraph shall terminate only Seller's obligation and right to deliver goods or provide services other than as this paragraph requires and shall not terminate or impair Seller's other obligations, or any of Buyer's rights, under the Contract. In addition to Buyer's rights described in these Terms of Purchase, Buyer has all of the other rights and remedies that the law gives to buyers, including the right to recover incidental and consequential damages that result from Seller's breach. Buyer shall not lose any right just because it does not exercise it. Buyer shall have the full statutory period of limitations to bring any action that arises out of Buyer's agreement with Seller. A reasonable time for Buyer to notify Seller of any breach is not less than two years from when Buyer discovers the breach. Under no circumstances will Buyer be liable to Seller for any loss of profits or for any other consequential, incidental, indirect, punitive or other special damages.

14. **Buyer's Property.** Any designs, drawings, specifications, methods of manufacture, intellectual property, documents and other information and any tooling, equipment or other property that Buyer furnishes to, or acquires from, Seller in connection with Seller's manufacture of the goods or performance of the services ("**Buyer Property**") are and shall at all times be Buyer's sole and exclusive property. Seller shall (1) maintain the Buyer Property in good condition, (2) mark the Buyer Property "**PROPERTY OF viastore systems, inc.**", (3) not commingle the Buyer Property with property of Seller or third parties, (4) allow Buyer to inspect and examine the Buyer Property at any time and (5) return the Buyer Property to Buyer upon its request.

15. **Government Contracts.** If Buyer will use the goods or services covered by the order in connection with a contract with the United States or other government, then all terms and conditions that the government contract or any law or regulation requires to be included in any contract formed pursuant to the order ("**Government Terms**") are incorporated in the order by reference. If a provision of the order is inconsistent with a Government Term, then the Government Term shall control.

16. **Insurance.** Seller shall maintain insurance coverage that will fully protect both Seller and Buyer from all claims and liabilities of any kind or nature for property damage, personal injury, death and economic damage, to any person, that arises from the goods or their use or the performance of the services or any activities connected with the services. Seller shall maintain employee's liability and compensation insurance that will protect Buyer from any and all claims and liabilities that Seller or any employee or agent of Seller makes under any applicable worker's compensation or occupational disease acts. All insurance that this paragraph requires shall be in amounts and coverages, and shall be issued by insurers, that are satisfactory to Buyer. Upon Buyer's request at any time, Seller shall furnish to Buyer certificates evidencing required insurance.

17. **Prepayment.** If Buyer pays any part of the purchase price of the goods before Seller delivers them to Buyer, then (1) title (but not risk of loss) to each item of the goods shall pass to Buyer upon identification of the item to the Contract, (2) to the extent necessary to protect Buyer's title to the goods, Seller grants Buyer a security interest in the goods to secure Seller's obligation to deliver them to Buyer and all of Seller's other present and future obligations to Buyer and (3) Seller shall obtain from each person that holds a security interest in or lien upon the goods a written agreement releasing that security interest or lien or subordinating it to Buyer's interest in the goods.

18. **Confidentiality and Non-Use.** Seller shall not sell or offer to sell or otherwise provide to anyone other than Buyer any goods made in accordance with any drawings, designs or specifications that Buyer furnishes to Seller or that incorporate, embody or are made in accordance with any of Buyer's intellectual property. Seller shall maintain the confidentiality of, and shall not disclose or use or permit to be disclosed or used or to be viewed by any third party (including any of Seller's suppliers), the goods, any designs of or specifications for the goods, any Buyer Property or any information concerning Buyer's business, operations or activities, including, without limitation, information concerning Buyer's present or proposed products, product developments, plans, strategies, finances, know-how, sales, customers and marketing or sales techniques ("**Confidential Information**"), except that Seller may disclose Confidential Information to a third party (other than a competitor of Buyer or an Affiliate of a competitor) to the extent disclosure is necessary in order for Seller to perform its obligations under the Contract. If Seller breaches or threatens to breach this paragraph, then Buyer's remedies at law will be inadequate. Therefore Buyer shall have the right of specific performance or injunctive relief, or both, in addition to any and all other remedies and rights at law or in equity, and Buyer's rights and remedies shall be cumulative.

19. **Intellectual Property.** All inventions (whether or not patentable), devices, technologies, ideas, improvements, processes, systems, trademarks, trade names, trade dress, service marks, names, software and other works and matters that Seller creates or develops in the course of Seller's performance of the services or Seller's design or development of the goods for Buyer, including all proprietary rights in the foregoing (collectively, "**Intellectual Property**") shall be Buyer's sole property, and Seller assigns, and agrees to assign, to Buyer all right, title and interest that Seller now has or in the future acquires in the Intellectual Property. All copyrightable works that Seller creates or develops in the course of Seller's performance of the services or Seller's design or development of the goods for Buyer shall be considered "works made for hire" within the meaning of the federal Copyright Act of 1976, as amended, and under the equivalent laws of any other country. To the extent that any such copyrightable work is not considered a "work made for hire," it shall be the sole property of Buyer, and Seller assigns, and agrees to assign, to Buyer all right, title and interest that Seller now has or in the future acquires in it and in all copyright rights in it. Seller shall sign and deliver to Buyer all assignments and other documents, and Seller shall take all other actions, that Buyer requests for the purpose of perfecting Buyer's ownership of and title to the Intellectual Property and in any copyrightable work that is not considered a "work made for hire" and in all copyright rights in it.] If the goods or their design are subject to any pre-existing patent rights or other proprietary rights that Seller holds, then Seller grants to Buyer an irrevocable, non-exclusive, royalty-free license of the patent rights and other proprietary rights to the extent necessary to enable Buyer to modify, repair or rebuild any or all of the goods. This license is in addition to all licenses impliedly granted to Buyer as a purchaser of the goods. Seller shall not use Buyer's name or any trademark, trade name, service mark or trade dress that Buyer owns or that is licensed to Buyer or to any Affiliate of Buyer, without Buyer's express, written consent, and Seller shall not sell to anyone other than Buyer any goods bearing any such trademark, trade name, service mark or trade dress.

20. **Other Terms.** Seller shall not have and waives any security interest in or lien (including any statutory or common law lien) upon any Buyer Property or the goods. Seller may not assign, delegate or subcontract any of its obligations under the order or the Contract without Buyer's written consent. Buyer may deduct, recoup and set off any amounts that Buyer at any time owes to Seller under the Contract from and against any damages or other amounts that Seller then owes to Buyer, whether under the Contract or otherwise and whether or not Seller shall have assigned to another ("**Assignee**") its rights to receive amounts that Buyer is required to pay under the Contract. All such rights of an Assignee shall be subject to all of the terms of the Contract and to all claims and defenses that Buyer at any time has against Seller, whether arising under the Contract or otherwise. Buyer shall continue to have all of its rights under the Contract even if it does not fully and promptly exercise them on all occasions. Buyer's failure to exercise, or Buyer's waiver of, a right or remedy on one occasion is not a waiver of that right or remedy with respect to any future occasion.

21. **Applicable Law.** The order and the Contract shall be governed by, and interpreted according to, Michigan law, excluding the United Nations Convention on Contracts for the International Sale of Goods. Any state or federal court in Kent County, Michigan, may handle any action based upon or arising out of the order or the Contract, and Seller irrevocably consents that the court shall have personal jurisdiction over Seller and waives any objection that the court is an inconvenient forum.

22. **Complete Agreement.** Seller has not made any promises or representations to Buyer, and Buyer has not made any to Seller, that are not in the order. A change in, or waiver of, a provision of these Terms of Purchase or the order must be contained in a writing signed by Buyer.
